Air Volume:
10,000 CFM

Air-to-Cloth Ratio:
12.6 : 1

Contact Scientific Dust Collectors for more information. Ask for Application Number 091214.

Application Notes:

This company is a leading manufacturer of quality paint brushes. They installed a baghouse to improve the general appearance of their manufacturing floor. The high side inlet expertly handles the bristles that are picked up in the operation. The company wanted their collector painted a special color.
